

Fiberglass Louvers

Fiberglass Air Inlet Louver

Star Cooling Tower's fiberglass louvers help improve the aesthetics and efficiency of any cooling tower. Lightweight, yet rugged, the louvers are easy to install and help minimize water splash-out, offering a safer environment. Special formulations offer excellent UV resistance. The louvers weigh nominally 12 oz/ft². They are 4.2" corrugated to match existing installations.

OEM Replacement Parts

Star Cooling Towers is a complete cooling tower supply company, offering a wide range of products to the cooling tower industry since 1951. Our large selection of quality OEM (Original Equipment Manufacturer) replacement parts are compatible with most models and manufacturers of cooling towers and they offer a high quality, reliable, low-cost alternative to expensive original equipment parts.
