# Flow Control Valve

Heavy Duty Stainless Steel

# Flow Control Valve

## Heavy Duty Stainless Steel

The Star Cooling Towers flow control valve for cooling towers is manufactured to meet or exceed OEM specifications. It is a direct, drop-in replacement for all crossflow cooling tower applications and does not require modifications to your existing system.

Important features of the Star Cooling Towers flow control valve include:

- Rugged construction
- Positive, locking bar
- Heavy duty stainless steel body
- Stainless steel valve stem and hardware
- Simple, trouble-free design
- Heavy-duty neoprene gasket
- Standard ANSI #125 flange

## OEM Replacement Parts

Star Cooling Towers is a complete cooling tower supply company, offering a wide range of products to the cooling tower industry since 1951. Our large selection of quality OEM (Original Equipment Manufacturer) replacement parts are compatible with most models and manufacturers of cooling towers and they offer a high quality, reliable, low-cost alternative to expensive original equipment parts.
